

35th Annual Meeting & Housing Expo

Housing& invites you to showcase your organization at the Housing Expo! This portion of the conference will take place from 9am-3pm. Please review the exhibitor FAQs below for guidelines on preparing your expo space.

Reserving Your Table

The Housing Expo space is limited to 100 exhibitors, and these slots are available by advance purchase only. Due to the space constraints of the room, only table-top displays will be allowed. If your exhibit requires electricity, please let us know when you reserve your space. These spots are available on a first-come, first-served basis.

Set Up Time & Break Down

Exhibitors can begin setting up their exhibit space as early as Wednesday, May 13th at 8:00am. The Housing Expo will open on Wednesday, May 13th at 9:00am and end at 12:30pm as guests are seated at the luncheon. The luncheon will run from 12:30pm – 2:00pm. The Housing Expo will resume at 2:00pm and exhibitors are asked to break down their displays and clear the expo hall by 3:00pm.

Hotel & Expo Access

Exhibitors should load items in from the 28th Street Loading Area. Please note that this is a driveway entrance; please use a vehicle with a lift if necessary as no dock exists.

Please note: Parking at the hotel will most likely fill up early. Alternative parking will be available at area parking garages; however, we encourage all guests to take advantage of Metro and ride-sharing services due to the volume of attendees.
