Job Announcement

Make a difference – join our team to empower communities and build futures!

The Fairfax County Department of Housing and Community Development works in partnership with the Redevelopment and Housing Authority to serve the people of Fairfax County by creating housing opportunities to promote inclusive and thriving communities. Help make our vision of a community everyone can afford to call home a reality!

Under the general supervision of Financial Specialist IV, performs a wide variety of professional full performance level budget and fiscal management responsibilities for HCD. Functional areas include project tracking, fund management, budgeting, financial reconciliations, financial reporting review and compilation, auditing, oversight and review of third-party property management company accounting records and financials including rent rolls; housing assistance payments; capital assets recordings; and reserve contributions, and fixed asset management. This role necessitates a thorough understanding of General Accepted Accounting Principles (GAAP), and the application of Government Accounting Standards Board (GASB) and Financial Accounting Standards Board (FASB) accounting requirements, and the consolidation of such financial statements into GASB requirements. The position also requires an understanding of federal and state regulatory reporting requirements for agencies such as U.S. Department of Housing and Urban Development (HUD) and Virginia Housing Development Authority (VHDA). The role requires the individuals to prepare analysis and recommendations that convey financial and budgetary impacts to management and to the financial reports and accounting practices.

This role also requires knowledge and ability to prepare reports in the agency's enterprise system;

ensures compliance with county and grantor policies; interacts extensively with internal and external customers including the contracted vendors for third-party property management, auditors and tax accountants. Strong interpersonal skills and the ability to communicate complex data to a variety of audiences are essential. Preferred candidates would have previous experience with property management, housing authorities, or housing choice voucher programs.
