About the District Alliance for Safe Housing

Founded in 2006, the District Alliance for Safe Housing (DASH) is one of DC's largest providers of safe housing and trauma-informed services for survivors experiencing homelessness due to domestic and sexual violence. DASH meets survivors where they are, eliminating barriers to safe housing so that they can rebuild their lives on their own terms.

DASH supports survivors—individuals, families, and transitioning youth aged 18-24—with housing; flexible financial assistance; and holistic services. DASH provides a continuum of emergency-to-transitional and transitional-to-permanent safe housing programs, including the 42-unit Cornerstone building, owned and operated by DASH.

DASH's key programs include: Cornerstone, Empowerment Project, Project Empowerment, Right to Dream, Survivor Resilience Fund, and Safe Nights Fund.

DASH holds Candid's Platinum Seal of Transparency and has been recognized by the Catalogue for Philanthropy as one of the DC region's best nonprofits. To learn more, visit www.dashdc.org.
